Principal’s Message

The Easter Season

The fifty days from Easter Sunday to Pentecost are celebrated in joyful exultation. The Lord has risen from the dead. He is our King forever. Let there be happiness and hope.

Lord, bring to perfection the spirit of life we receive from your Easter gift.
Free us from seeking after the passing things in life and help us set our hearts on your kingdom.
Watch over those you have saved in Christ.
May we who have been redeemed by his suffering and death always rejoice in his resurrection.
Amen.

What is Easter

As Easter dawns upon the world
And darkness fades away,
The greeting earth awakes to greet
The glory of this day……..

The world recalls the wonder of
The word. “He is not here”,
For Jesus Christ has conquered death
And hope replaced all fear…..

A crown of thorns, an empty cross
Upon a lonely hill
Foretold of everlasting life,
For He is with us still……..

With wisdom, God sent down His Son
To earth from Heaven above……
He died and rose at Eastertime
To teach us of God’s love.

FOR IMMEDIATE RELEASE

Bishop Peter Ingham’s Easter Message 2015

My brothers and sisters in Christ,

Jesus’ life changed death, and his death also changed life. The Cross is a plus sign for a negative world. Jesus died with outstretched arms so we could run into them.

Jesus’ rising from the dead was far beyond the disciples’ expectations as well as beyond what any of us would normally expect. Yet St Paul said, “If Christ has not been raised, then our preaching is useless and your believing it is useless.” (1 Cor 15:14). Christianity is founded on the Resurrection of Jesus Christ from the dead.

Do we ever think of the Resurrection being modelled in our own lives? We all know people who have risen above hardship, serious illness, tragedy or grief. Easter calls us also to recognise resurrection in our own lives after we have shared the Cross with Jesus through the testing times of our lives.

Every Good Friday has its Easter Sunday, so the stumbling blocks you and I face in life can also be stepping stones to new hope and meaning.

May the hope the Risen Lord Jesus brings at Easter be our encouragement.

My warm blessings and good wishes,

Most Rev Peter W Ingham DD

News from the Music Department

As part of our ongoing support of Creative Arts, this year we will continue to offer music tuition within the school. It will feature experienced music tutors from the Liverpool Academy of Music. Today, the Liverpool Academy of Music in Sydney’s South West, has grown to become one of the largest music schools in Australia. Since the Academy does teach from a graded syllabus, there is music written for every level—students are making and playing music almost from the very first lesson. And as they apply themselves, students simply move to play more difficult music. At the moment we are offering tuition for guitar, piano and voice. Tuition will take place at school. Students will be taken out of class for their lesson/s each week. Lessons are typically half an hour and will fall on a Tuesday. Tuition fees will be paid directly to the tutor ($30.00 per lesson). Students are taught in a one-on-one style, using innovative methods, as we believe and see proof that this achieves the best results. More information about the Academy can be seen on their website at http://www.liverpoolacademyofmusic.com.au/

Pease see one of the friendly music teachers or contact them via email to receive an enrolment form.
